

# “Here, every guest feels special”

Located in the Utrecht region, the Carlton President is a luxury 4\* business hotel where ‘meetings’ truly are the focal point. Ideally situated near various arterial roads and just a few minutes’ drive from Utrecht city centre, the hotel prides itself on providing the perfect business destination always exceeding the expectations of its guests.

Meeting any possible demands concerning comfort, inspiration and connectivity, the Carlton President manages “to combine the personal attention required by guests with the efficient handling of the assignment”, says General Manager Bart Blikman. “We welcome the trainer or keynote speaker of a meeting and together we will ensure that the day runs perfectly. The conference team then extend this personal attention and service to the participants or other meeting guests to create the perfect working environment - that is what Carlton President is known for.”

## Meetings, meeting and connecting

The nine multifunctional rooms at the hotel are readily used by a wide variety of industries accommodating guests from both the Netherlands and around the world. Able to accommodate meeting briefs from 4 up

to 300 delegates, each congress room at the hotel offers a range of business features – the largest of which at 265 square metres boasts both uninterrupted meeting space and a 6 metre ceiling height for the ultimate conference destination.

Apart from the function rooms, there is also the possibility to use the President’s business centre facilities with its range of complimentary coffee, office facilities and free wifi. “We invite our guests to network with each other and to share experiences. The unexpected is sometimes the most exciting. Besides, (un)expected business meetings will advance your enterprise: you often find the piece of the puzzle that you were missing.”

## FoodBook, eat when you want

Guests who wish to extend their stay, can be accommodated in one of the hotel’s 164 rooms, famous for their uber comfortable ‘box spring’ mattress and expertly designed pillow menus. For breakfast, lunch or dinner, the Garden Brasserie is the place to be with a selection of delicious international dishes available from the innovative FoodBook throughout the day. Possibilities for guests who wish to explore are also abundantly present in the nearby Utrecht city centre, as is relaxation in the hotel’s very own wellness and leisure centre.

The bar is located in the President’s Exchange lounge and here the attentive nature of the bar manager generally receives high praise from hotel guests. “Perfectly matching the hotel’s philosophy”, says Blikman, “We want every guest to feel special.” ■
