

Hotel Zuiderduin:

# Meetings at the seaside

**One of the major attractions a meeting location can offer for the corporate client, is that it has additional features. Such as a seaside in walking distance. Hotel Zuiderduin is located in the picturesque village of Egmond aan Zee, and lies about one hundred meters from the beach.**

**M**eetings can take place in one of the 33 function rooms in the hotel. These vary in size from 30 m<sup>2</sup> to halls of 1,000 m<sup>2</sup> for large congresses, events and festivities. The Hotel Zuiderduin itself has some 400 comfortable rooms with all 'mod cons'. Last year, this room capacity was increased by 144 rooms, as the nearby new Strandhotel Golfzang was included in the Zuiderduin portfolio.

The hotel lounge has a central internet corner and all function rooms have fast

internet connections. Of course, WiFi is available in all public spaces, halls and rooms.

The Hotel Zuiderduin has many other attractive features that make a meeting – and a stay – at the hotel a pleasant experience. The large restaurant can accommodate 700 persons, the same floor also includes a bistro and a cosy bar. Further facilities for relaxation are a swimming pool, various saunas, a wellness center, a fitness room, a squash court and a bowlingcenter with 8 modern bowling alleys.

If you prefer outdoor activities, the nearby beach offers a great location for sportive, active or recreational breaks in the meeting schedule. The Zuiderduin staff can arrange it all for you. The village of Egmond aan Zee also has a great deal to offer in the range of shops, but a visit to other nearby villages such as Bergen is certainly worth while.

One of the advantages of the Netherlands is that you never have to travel far to reach a reach another interesting and attractive location. For instance, the Hotel Zuiderduin itself is only a 30-minute car-ride from Amsterdam Schiphol Airport. Thanks to our excellent infrastructure and public transport facilities, day trips are easy, with Hotel Zuiderduin as perfect 'home base'.
